## Swim & Dive

### Swim Team News

Vienna Woods concluded its season with a second-place finish in Division 4, boasting a 3-1-1 record. The season included a rare tie in a Dual Meet, as well as a 1-point loss that ultimately separated The Woods from the division champions. The competition was fierce all year, with only 2 points separating four teams at the Divisional Relays.

Our developmental Monday B Meets were also a tremendous success, with high attendance, and loads of time drops, all while providing all swimmers a great opportunity to experience competitive meets.

Out of 215 swimmers on the team, 80 were 8 & Under, including 42 Mini Stars. Our Minis were organized into three levels under the guidance of our new Mini Star head coach Susan Cohen, as well as 14 Mini coaches. Many of our Minis advanced to B Meets and progressed through the levels!

Separately, we extend our gratitude and best wishes to our nine graduating Seniors who have elevated the amazing tradition of Vienna Woods Swim for all those who follow in their footsteps.

And finally, a huge thank you to all of our coaches, our outstanding leadership team, and the dedicated volunteers who made this season such a success!

### Dive Team News

As the season comes to a close, we're excited to share the success and growth of our dive team. This year, our team finished strong with a record of 3-1-1, keeping us locked into Division 1!

Our divers have shown incredible dedication and progress, mastering new dives and honing their skills. Their hard work and perseverance have been evident at every meet, and we couldn't be prouder of their achievements, including those of our graduating Seniors, who will be sincerely missed.

A big thank you to all the parents, coaches, and supporters who have been with us every step of the way. Your encouragement and enthusiasm have been vital to our success. We look forward to yet another great season next year!

## Snack Bar

The Snack Bar is in full swing, and we've been serving a tremendous volume of ice cream lately!

As you may have noticed, when the temperature and humidity are high (usually in the mid-90s and above), we need to shut down the grill and fryer due to excessive heat in the Snack Bar, even with two AC units running. During these times, we do our best to adjust the menu to offer alternatives like tacos or handmade sandwiches, ensuring there's still a variety of delicious options for everyone to enjoy.

As we approach the end of July, some of our AWESOME long-time assistant managers will be heading off to college. We'll be training new assistant managers to ensure continuity, so please be encouraging when you see them!

A few reminders:

- No arguing with or yelling at Snack Bar staff
- Please clean up after yourselves, especially youngsters, to prevent attracting birds or rodents.
- GLASS OR CERAMICS ARE NEVER PERMITTED AT THE POOL.
- We have limited storage, so if we're out of your favorite item, please choose something else we have available.

Lastly, a huge shout-out to our Snack Bar manager, Dawn, for another fantastic season!
