## Shareholder Meeting - Today!

Our spring shareholder meeting is scheduled for today **Saturday, April 26th at 4pm** at the club, rain or shine. We hope to see you there!

## President's Message

Brutal. That's the way I describe our past winter season. It was habitually cold and, to me, way too long. So, these past few days of delightful spring weather have me recharged for our upcoming season!

As you look around the pool this season, please notice the amazing new entry way that was just completed as well as our new gazebo down by the tennis courts. Lastly, we will be repaving the parking lots in the next 10 days as well. Lots of capital improvements to be thankful for which only enhance our setting in The Woods!

Thank you to all of the board members for their hard work this off season!

I hope to see you all at the stockholders meeting today at the pool. Soon enough we will be enjoying the pool and I know we are grateful and looking forward to that.

-AJ Oskuie

## Maintenance Updates

As the season approaches, teams have been hard at work maintaining and improving Vienna Woods Swim & Tennis. Some upgrades are easy to spot—like the renovated front office and the replacement of the decades-old tennis gazebo. Others are less apparent but just as important, such as removing fallen or at-risk trees and repairing failed culverts. We hope you'll be as proud as we are of the work being done to care for our little slice of heaven in the woods.

## Pool Manager Update

Our lifeguard team is already hard at work preparing for another great season at Vienna Woods! We're excited to welcome back many of last year's guards, along with nearly 30 new lifeguards joining our staff this summer. It's a true testament to the fact that working at Vienna Woods remains one of the best summer jobs around!

We are currently at full capacity for hiring (with the exception of college-age staff), but we do have a waitlist for potential mid-summer openings. If you're interested or would like more information, please contact [poolmanager@viennawoods.org](mailto:poolmanager@viennawoods.org).

All three of our assistant managers from last season will be returning for another summer!

## Snack Bar

Dawn and her amazing Snack Bar staff are gearing up for another fantastic season at Vienna Woods! She'll be joined once again by a great team of returning assistant managers, along with a fresh crew of energetic youngsters who will be learning the ropes—working hard, collaborating as a team, staying consistent, delivering great customer service, and having fun along the way.

A friendly reminder: our Snack Bar is primarily staffed by the children of Vienna Woods members. With limited storage space, we may occasionally run out of your favorite item—thanks in advance for your flexibility and for trying out some of the other awesome choices on the menu!

Let's all help keep the area clean by throwing away trash and encouraging others to do the same. To keep pests away, food should only be consumed on the Snack Bar deck or in the Grove. And most importantly: **no glass** is ever allowed anywhere in the facility.

We can't wait for another great summer—see you at the pool!
