-------------------------------	-------------------------------	-------------------------------

LEVELS:

Pre-beginner: An introduction to swimming to foster confidence in the water. Children will acquire floating, kicking, gliding and back floating skills. **Not recommended for children under 3. If your child is close to turning 3 and you would like to register, please speak to a manager.**

Beginner: The child will gain confidence in the water. Floating (front and back), freestyle, and elementary backstroke will be emphasized.

Advanced Beginner: In this section the child will be given the opportunity to take and pass the "patch test". Emphasis will be freestyle with rotary breathing, backstroke and treading water.

Intermediate: All the previous strokes will be refined, and the child will be introduced to breaststroke, butterfly and flip turns.

Class Times: *Please note classes with less than 5 registered are subject to cancellation.
